Susan Kauffman, Santa Cruz County Planning Department

Everything YOU always wanted to know about the Planning Department!

Susan will educate everyone on the planning department, how it operates, and how it can be of benefit to us. **Some of her topics include:**

- What they can offer to help agents provide information to their clients and accurately represent parcels/property
- General Plan designations and conforming parcel sizes
- Using their GIS mapping system and what information is available and how to find it.
- Environmental Constraints and Resources
- Types of permits
- Buildable or not
- Why inconsistent information is given out
- Understanding zoning
